#213 3

Circus Trio

CIRCUS Trio brings new life and movement into urban spaces through three circular modules at different heights. The sculptural form breaks away from the flat and linear – creating a playful, flexible structure that serves as seating, a green island, or a social meeting point.

Circus Trio

Technical data

Trio Configuration
1 x base I / 1 x base II / 1 x base III / 2 x top seats / 1 x planter

Material
HPL Top: 10mm compact laminate with 42 layers. Dyed, highly UV resistant and available in 4 colors. The durability, solid mechanical quality and weather resistance makes it perfect for tough urban use.
Base: Rotation molded Polyethylene (PE), 6-7mm thick, mass colored. Molded in one piece. UV-resistant, stands up to weather, wear and tear. The material is suitable for granulation and recycling.

Sustainability
EcoMix: Lifespan 30 years. 100% recyclable up to 7 times.
100% recycled PE in Anthracite.
33% recycled PE in Red, Green, Granite & Sand, of which consumer waste make up 33%.
HPL: Lifespan up to 50 years.
100% recycled locally sourced paper. FSC and PEFC certified.
Can be used as source of heating after lifespan without any hazardous waste.
General: Modular system adapts to change.
Easy to replace spare parts.

Dimensions
W1800 x L1800 x H660mm.
Weight 47 kg.
Seats up to 6 People.

Montage
All configurations are to be fully assembled on site. See assembly guide for step-by-step instruction.

Variety
Customized tops on request.

Accessories
Feet suggested for assembly on uneven terrain.
Wheels for easy mobility.

Family
Solo, Duo, Quadro & Forma

Maintenance
Maintenance-free and easy to clean. Withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. Graffiti removes easily.

Design protection
Registered at EUIPO, EF design number 015036655-0001
