#213 5

Circus Forma

Forma is a spatial and playful formation that rises in height – from low seating surfaces to elevated levels. The five interconnected circular modules form a dynamic shape that invites informal stays, play, and amphitheatre-like atmospheres in public spaces.

#213 5

Circus Forma

Technical data

Forma Configuration
3 x base I / 3 x base II / 1 base III / 4 x top seats / 1 x planter & seat / 1 x planter

Material
HPL Top: 10mm compact laminate with 42 layers. Dyed, highly UV resistant and available in 4 colors. The durability, solid mechanical quality and weather resistance makes it perfect for tough urban use.
Base: Rotation molded Polyethylene (PE), 6-7mm thick, mass colored. Molded in one piece. UV-resistant, stands up to weather, wear and tear. The material is suitable for granulation and recycling.

Sustainability
EcoMix: Lifespan 30 years. 100% recyclable up to 7 times.
100% recycled PE in Anthracite.
33% recycled PE in Red, Green, Granite & Sand, of which consumer waste make up 33%.
HPL: Lifespan up to 50 years.
100% recycled locally sourced paper. FSC and PEFC certified.
Can be used as source of heating after lifespan without any hazardous waste.
General: Modular system adapts to change.
Easy to replace spare parts.

Dimensions
W3334 x L3334 x H660mm.
Weight 95 kg.
Seats up to 14 People.

Montage
All configurations are to be fully assembled on site. See assembly guide for step-by-step instruction.

Variety
Customized tops on request.

Accessories
Feet suggested for assembly on uneven terrain.
Wheels for easy mobility.

Family
Solo, Duo, Trio & Quadro

Maintenance
Maintenance-free and easy to clean. Withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. Graffiti removes easily.

Design protection
Registered at EUIPO, EF design number 015036655-0001
